The Cemetery fence at John Morrison Cemetery had damage done to it during a storm and the Town's insurance Co., Primex, is meeting with John Bishop on Thursday July 30, 2015 to assess the damages.

John stated that Jeff Boucher from Manchester Memorial looked at the Steven's monument at the Old Riverside Cemetery and said that the Baker stone needed to be fixed as well. He will get back to us with an estimate. He said that it would be cheaper to repair them at the same time.

Bonnie said that the backside of the Columbarium needed to look the same as the front. It was discussed that a 12' oval patio (12' in front and 12' in the back) will be installed around the entire Columbarium. The Trustee's looked at pictures of patio block and decided to go with the circular pattern. Germaine made a motion to accept these decisions and Bonnie seconded the motion.

John informed the Trustee's that he had called Greg Brooks to get an estimate for some electrical work that needed to be done at Old and New Riverside Cemeteries. He was waiting to hear back from him.

Meeting adjourned at 2:05 pm

Next meeting will be on Tuesday August 25, 2015 @ 1:00 at the New Riverside Cemetery garage.

Respectfully Submitted,
