### TOWN OF ALTON – PUBLIC NOTICE

#### Solid Waste Permit Sticker Exchange

The Town of Alton is updating its solid waste permit stickers and is offering a free exchange for previously issued stickers.

If you purchased a solid waste permit sticker between January 2026 and late March 2026, you may exchange your old sticker for a new one at no cost. Please return the old sticker (or as much of it as possible) when exchanging.

#### Why the Change?

- The previous stickers had to be placed on the outside of the vehicle
- The new stickers are designed to be placed inside the windshield
- The new stickers also include a unique permit number, which helps the Town track permits and revenue more accurately

#### What You'll Need

Proof of residency is required when purchasing or exchanging a sticker. Examples include:

- Driver's license
- Tax bill
- Utility bill
- Vehicle registration

#### Permit Details

- **Cost:** \$20
- **Expiration Date:** December 31, 2027

These improvements will help reduce confusion, improve recordkeeping, and ensure permits are issued and tracked correctly.
