

Alton Public Works Department

**We are currently hiring a full-time maintenance laborer in our
Grounds & Maintenance Division.**

An honorable and important job with rewarding benefits. Join our motivated team of professionals where every day is an opportunity to contribute to the community.

Full time position with many benefits including health and dental insurance, paid vacation, NH Retirement, 457 Retirement Plan and flexible schedule as well as paid holidays, personal days and sick time.

Duties include (but are not limited to) trash removal and litter pick up at parks and Town buildings; turf maintenance: mowing, weed trimming, landscaping; snow removal: plowing, shoveling, applying ice melt/salt; assistance at special events; painting and occasional custodial duties. General handyman skills are not required but preferred. A valid NH Driver's License and high school diploma or GED is required. The successful candidate will be required to complete a background check, physical exam and drug test as well as obtain a DOT Medical Card. Must be at least 18 years of age. Employment application and full job description are available at the Public Works Highway Garage or www.alton.nh.gov/document-category/general.

A resume with cover letter and completed application can be submitted to the Alton Town Hall PO Box 659 Alton, NH 03809. Or electronically to jobs@alton.nh.gov

Position will remain open until filled. EOE

Any questions or for more information contact Seth Garland, Public Works Director, at 603-875-6808 or highway@alton.nh.gov.
